Trapezoid Blinds: Opens and Closes. Raises and Lowers.

Trapezoid blinds and shades from ***HomeDec Window Fashions*** are available for virtually any size or shape of trapezoid window. All trapezoid blinds and shades are fully operable. Our exclusive trapezoid blind operation is designed to raise and lower on even the steepest and most challenging of trapezoid windows.

Trapezoid window blinds and shades from ***HomeDec Window Fashions*** open and close to provide protection from the sun when needed, and a wide-open view when desired. Our trapezoid blinds and shades feature patented and exclusive designs which are not available from any other manufacture.

Our selection includes fully moveable blinds for even the most challenging shapes of trapezoid windows.

Trapezoid Blinds: Fully Moveable, Fully Operable

Exclusive Trapezoid Blind Features. Trapezoid blinds from ***HomeDec Window Fashions*** feature industry exclusive design, function and operation. Each trapezoid blind is designed to open and close on all shapes of trapezoid windows.

Exclusive Trapezoid Blind Operation. Trapezoid window blinds extend down from the top of the trapezoid window when in use, and compress to the top of the trapezoid when a wide-open view through the window is desired. All trapezoid blinds from ***HomeDec Window Fashions*** raise and lower fully on all shapes of trapezoid windows. All trapezoid blinds are fully moveable.

Motorized Trapezoid Blind Operation. Battery powered motorization with a remote control is the standard option for motorized trapezoid blinds. Plug-in transformers, AC motorization, smart home and smart phone controlled and electric remote control motorized trapezoid blinds are available. All motorized and electric trapezoid blinds are fully moveable and open and close at the touch of a button.

Manual Trapezoid Blinds and Shades. *HomeDec Window Fashions* manual trapezoid blinds will raise and lower with draw cords and are secured using a cord cleat.

Any Size. Any Shape. If you've heard that a trapezoid window blind is not available for your trapezoid window shape, you have found the right place. Our exclusive offering of trapezoid blinds are available for virtually any size or any shape of trapezoid window. All trapezoid blinds raise and lower and are fully operable.

Trapezoid Window Blind Materials, Colors & Styles. Trapezoid blinds are fabricated with honeycomb and cellular materials. These materials allow for full operation on a trapezoid blind and offer a wide range of styles and colors. Light and sun control options range from translucent, to semi-opaque, to blackout (or light dimming).

Made in the USA. Call John Huber at *HomeDec Window Fashions* for an in-home or in-office consultation. (574) 293-8614
